

## **Nurtured Childbirth Education Privacy Policy**

### **Protection of User's Personal Information**

Nurtured Childbirth Education highly values privacy and is committed to protecting the personal information of its users. No personal information is collected from users of this site without their prior permission. Nurtured Childbirth Education does not sell, rent, or lease personal information about its website users to third parties.

### **Server Logs**

We continuously strive to improve the access, design, and functionality of our site to provide an optimal experience for visitors. In order to achieve this, we may track certain statistics such as IP address, browser type, domain name, access times, and referring website addresses. These statistics are used to analyze trends, gather demographic information, and improve our site's performance. These statistics do not include any personally identifiable information.

### **Personal Information Sent via Email**

If you choose to provide personal information when signing up for our Newsletter, submitting an entry in our contact form, or through other means, we will only use that information for the specific purposes for which it has been provided. For example, we may use your information to respond to your specific request or to sign you up for our newsletter. We will not use or share your personal information for any other purposes without obtaining your consent.

### **External Web Links**

Nurtured Childbirth Education may provide links to external websites for your convenience and as a resource. However, we do not guarantee the accuracy or privacy of these external websites. We encourage you to review the privacy statements of the websites you choose to visit from the Nurtured Childbirth Education website, as they may have different practices regarding the collection, use, and sharing of your information.

### **Privacy and Social Media**

Nurtured Childbirth Education is dedicated to protecting the privacy of our community members. We will never post personal health, employment, financial information, contact information, or other sensitive details about you without your explicit consent. Only when we have obtained consent from individuals will we publish photos, stories, and/or other information that you have shared with us. *We remind you to exercise caution and protect your own privacy as well as the privacy of others when using and participating in our social media accounts.*
